D 2902 Rev. 109-15-1 (2

Extract from the address presented to the Dewan by Mrs Mir Mohammed Sahib & others

There is yet one prayer and that is about the establishment at Tarikere, of a Female Dispensary which remains unanswered. Apart from the Mussalman female population of Tarikere, the Pollegar-population also strictly observes "Purda." The general female population of Tarikere is considerable. In their interest a Female Dispensary is very necessary. It is therefore solicited that during your benign administration the defect complained of may be remedied.

Subd

This Subject has been mooted more than once in the Representative Assembly.

2 In his letter no: G 431 of 3-5-12 the Senior Surgeon reported that a Female dispensary is not wanted at Tarikere as urgently as in other places elsewhere in the State.

In reply to R.A. Subject no: 292 of 1913 Govt stated that the municipality may send up a representation in the matter. No such representation has till now been made by the municipality

3 Subd for orders with reference to col: 5 of the Statement of promises made by Dewan in the Representative Assembly of 1915 vide no: 22 in the Statement.

Sir,

With reference to your letter No. 5993-Med. 109-15-2 dated 17-2-1916, I have the honor to state that the President, District and Municipal Boards, Kadur District, was requested in this office letter No. 4078 dated 21-4-1916, to ascertain the views of the Kadur District Board and the Tarikere Municipal Board regarding the necessity for the Female Dispensary at Tarikere and their willingness to bear their respective shares of initial and recurring charges on account of the same. In reply, the President, Kadur District, Board, in his letter No. Mis. 2832 dated 30-3-1916 forwarded a copy of the resolution of the District Board passed at their meeting held on the 10th Idem, to the effect that the need for a Female Dispensary at Traikere was great and that the District Board was agreeable to bear the recurring charges in equal proportion out of District, Municipal and Malnad Improvement Funds and that Government should bear all the initial charges including the cost of construction of buildings. Copy of the Board's resolution is enclosed. He also stated that a copy of the resolution of the Tarikere Municipal Board will be forwarded on receipt of the same.

2. The Malnad Improvement Fund being only a

(temporary)

(temporary) grant made out of State Funds, the proposal of the District Board amounts to charging one third of the cost of maintenance to State Funds which have also to bear the cost on account of the pay of the Lady Apothecary in charge and the cost of Europe medicines. As this arrangement would not be acceptable to Government, the President has been requested in this office No. 4967 dated 7th April 1916 to ascertain from the District and Municipal Boards concerned whether they are prepared to meet their usual shares of initial and recurring charges as also of the cost of buildings. His reply to the above communication is awaited and as soon as it is received, the matter will be finally submitted to Government for their orders.

I have the honor to be,

Resolution.- As there is a large Mohamedan population at Tarikere the need for a Female Dispensary is being very keenly felt there. The question of establishing such a dispensary is long under the contemplation of the Board, but want of funds hitherto prevented it from satisfying this long felt want. It was accordingly resolved that the recurring charges be met out of district funds, Municipal and Malnad Improvement Funds in equal proportion, the Government bearing all the initial expenditure including construction of the building.

Sir,

Sl 2 in the file.

With reference to your letter No. 5993-Med.109-15-2, dated, the 17th February 1917, calling for definite proposals regarding the opening of a Female Dispensary at Tarikere, I have the honor to forward herewith, copies of the marginally noted communications received from the Deputy Commissioner, Kadur District together with copis of the resolutions of the Tarikere Municipal Board and the Kadur District Board in the matter and to state as follows.

No.68, dated, 26-7-1916.
No.619, dated, 10-2-1917.

Building: A Dispensary building with wards, of the standard type, will cost between Rs.11,000/- and Rs.12,000. Neither the District Board nor the Municipality, is willing to contribute any portion of the cost of construction of a new building. The Institution, if sanctioned, will, therefore have to be located in a rented building, the rent being included in the recurring charges, to be paid by the local bodies, in the same ratio as the recurring charges are agreed to be met, viz., 1/3 by the District Funds and 2/3 by the Municipality, (vide infra).

Initial Equipment: The Europe Medicines and instruments may, as usual, be supplied by Government from the Medical Stores. The cost of on furniture, bedding and clothing, which may amount to about Rs.300/- will be

met

met from the Municipal Funds. 76

Recurring Charges: The monthly recurring charges on maintenance (excluding the pay of the Lady Apothecary)

Charge allowance to Lady Apothecary	Rs. 15	which comes to
Pay of Compounder --- ---	" 8	
Pay of Dispensary Cooly ---	" 7	Rs.49/- as noted
Pay of Waterman --- ---	" 4	
Dieting charges --- ---	" 5	in the margin, will
Country Medicines --- ---	" 5	
Contingencies --- ---	" 5	be met by the Distt
Total	Rs.49	and Municipal Funds

in the ratio of 1:2 as stated in the Resolutions, copies of which are enclosed.

Under the circumstances I request that Government may be pleased to sanction the opening of a Female Dispensary at Tarikere on the scale of expenditure noted above and the entertainment of an additional Lady Apothecary on Rs.75/- per month.

I have the honor to be,

Sir,

Your most obedient servant,

Letter No.68, dated, 26-7-1916, from the President, District and Municipal Boards, Kadur District, to the Senior Surgeon in Mysore, Bangalore.

With reference to your letter No.4967, dated, 7th April 1916 in the matter of opening a Female Dispensary at Tarikere, I have the honor to state that the Muncipal Council of Tarikere are agreeable to bear half the cost of the initial expenditure, recurring charges and the house rent, copy of their resolution is herewith forwarded for information.

With regard to the quota of contribution payable out of District Funds, the income of the District Board in round figures is Rs.62,000/- out of this amount, a sum of Rs.30,000/- is being spent on annual repairs of Local fund Roads by the public works Department and a sum of Rs,28,500/- on permanent Establishments, Medical relief Etc., Thus only a sum of Rs.3,500/- is left for B.Public Wprks to be carried out by Revenue agency, which is quite inadequate for the needs of the rural areas as regards water supply, works of conservancy and Sanitation &c., Besides provision is to be made for works to be carried out in Unions equal to the amount contributed by them in the shape of house tax Etc., These with other facts were considered by the District Board in their meeting convened on 31st May 1916 and they are of opinion that under the circumstances explained above, only one third cost of recurring charges can be met out of District Funds.

Copy of their resolution is herewith forwarded, for information.

C.S.BALAUNDARAM IYER, Esq., B.A.,
Chief Secretary to the Government of
H. H. the Maharaja of Mysore,
~~Mysore~~, Bangalore.

Sir,

With reference to your letter No. 5331/Med:109-15 dated 25-3-1918, I have the honour to state that the building proposed is reported by the District Medical Officer, Kadur District, to be suitable for the purpose of a Female Dispensary with certain repairs which the owner had promised to carry out. The unexpected death of the owner about the end of May last resulted in the work of repairs being stoped. The Deputy Commissioner has been requested to instruct the local Revenue Authorities to approach the legal representatives and have the repairs completed as early as possible.

In the meanwhile, sanction may kindly be accorded to the opening of the Dispensary, as the President of the Kadur District Board has also intimated the willingness of the Board to bear their quota of the rent Rs.30/- fixed for the building.

I have the honour to be,

Sir,

Your most obedient servant,

T V Armugam

Senior Surgeon.

No. G.9165

Dear Sir,

Your D.O. letter No.G.14231-Med.109-15-14, dated 11th January 1919.

As stated in my letter dated 20th August 1918, requesting sanction to the opening of a Female Dispensary at Tarikere, I had addressed the Deputy Commissioner and President, District Board to instruct the local revenue authorities to approach the owners of the building and have the repairs executed early.

The Deputy Commissioner has just intimated in his letter No.72, dated 10th January 1919 that he has heard from the President of the Tarikere Municipality to the effect that the repairs have been completed and has requested me to arrange for the opening of the dispensary early. I am accordingly instructing the Superintendent, Medical Stores, to send to Tarikere, the necessary medicines and supplies which he had already been asked to keep ready.

As for meeting the cost, the cost on account of the Europe medicines will be met from the usual grant made under the Medical Stores, provided that the Government are pleased to sanction the additional grant of about Rs.28,000/- for recouping the expenditure incurred in supplying extra indents and supplies in connection with the recent influenza epidemic and the pay of the Lady Apothecary will be met from the amount sanctioned for the Medical Depsrtment under "pay of medical subordinates", or officers, in which there may be savings, due to grant of leave without allowances. The other expenditure has to be met from District and Municipal Funds and the two bodies may be asked to pay up their contributions.

Yours sincerely,

C. S. Balasundaramier Esq., BA,
Chief Secretary to Government.
